[Sponsor Levels and Associated Benefits](#)

International Education Exchange w/BETT UK \$10K-\$20K

This Global Exchange between CoSN and BETT UK is designed to create an exchange of innovations, networking and professional learning. We are seeking sponsor partners to keep costs at an affordable level for CoSN leaders and to provide scholarships for delegates to attend BETT in London and visit UK school sites. Participants will also attend the Global Exchange symposium at CoSN2026. The benefits of sponsorship are significant and include:

- Participation by a sponsor representative in the delegation meetings and briefings both at BETT and at CoSN2026.
- High-level access and interaction with CoSN leaders and key decision makers
- Branding on all reports, toolkits, webinars and public dissemination activities regarding the trip and lessons learned.

Sponsorship is **\$20,000** for a gold sponsor which includes two representatives to participate in the delegation and in all the meetings and briefings. **\$10,000** for a silver sponsor which includes one representative to participate in the delegation and in all the meetings and briefings. Travel and lodging are not included and can be arranged. We are working with a travel company specializing in educational tours. This secures the best possible pricing.

Each corporate sponsorship includes one additional Educator Scholarship to encourage diverse delegates to participate in the delegation. CoSN will promote and select the scholarship recipient.

Each sponsor will also be invited to host a dinner for the delegation with any local or company representatives you designate and any other local educator leaders you would like included.

Outcomes of the Delegation

We will broadly disseminate valuable information obtained during the exchanges via an exchange via webpage, blogging, webinars, and a report summarizing our findings and experiences. Our goal is to share the information collected and enable human and organizational linkages which are developed to be available to a wide audience both in the US and abroad.

In addition, we will work with the education/EdTech media to promote the exchange findings. The value of the trip goes far beyond the participants.

Early Career CTO Academy

\$12,500

Join CoSN in recognizing the need to support and nurture CTO's new to their position through the Early Career Academy. The purpose of the Early Career K-12 CTO Academy is to help new technology directors succeed by enhancing their understanding of EdTech leadership and making a positive impact on student-centered, digital learning. This program is also available to aspiring technology directors who are already working in a technology department at a school. The Academy's goal is to enhance the leadership skills of these technology leaders, provide mentors to help them grow and create a professional learning network consisting of past and current cohort members and mentors. CoSN will offer ten scholarships to candidates who are from under-represented populations in education technology leadership.

Benefits:

- Supporting your company's mission and vision to support diversity, equity, and inclusion.
- Increasing the number of qualified candidates for future CTO positions
- Branding and thought leadership positioning.

RE&D and Building Connections

Solution Session National Webinar

\$7,500

- \$7,500 per webinar (total of eight available)
